2022-23 AUXILIARY OUTREACH

“Reach out and offer a hand!”

This is the brief that was given in Salina for those that didn't attend to receive the info. Hello everyone. I hope everyone is well and starting the new year with a GO GET'EM attitude! I have enjoyed reading all the good work you are doing in your communities and seeing the pictures of our logo being present at your events you volunteered at. I see great things happening and please keep up the good work.

I have noticed that we are forgetting to remember that the only way your volunteer hours count is if the project you volunteer at is NOT eligible to be counted in another program. For example if it contains the US flag then it's Americanism, if it's a funeral dinner for a veteran or the family member then its Veterans and Family Support, etc. Please ask yourself "What could this project be reported under?" and go through each program and ask yourself if what you are going to report to me is eligible or not for a different program. Reportable projects for this program DO NOT contain a donation of money or goods. We should wear the logo while volunteering, volunteer only and NOT organize or be a main leader of the event, must have been approved in your minutes either before or after the project/event and you must be volunteering for another organization or group.

I have been keeping track of Auxiliaries that have submitted a report and I have the following Auxiliaries missing their first reporting period. If you did one and I have you listed then please send me a copy. Thank you to everyone that has submitted yours on time and properly filled out. It really makes the chairman's job easier when we all do our part.

Dist 1- 56, 1367, 9271, 12003

Dist 2- 2709, 5901

Dist 3- 1654

Dist 4- 1141, 6485

Dist 5- 1361, 2715, 3111, 6957

Dist 6- 1751, 2864, 2981, 6882, 8871, 9076

Dist 7- 3166, 3684, 7972

Thank you again for working this program for our wonderful organization. Your time and efforts are being noticed! Please reach out to me if you have questions!

Linda Vann-Owens, Dept Auxiliary Outreach Chairman
