

I hope everyone had a lovely Holiday in December. And it was great to see everyone that was able to come to the Mid-Winter Conference in Junction City.

Always remember to take lots of pictures of all your activities and report them.

Hopefully winter will be done soon. :) Our snow last week wasn't much here, but boy, was it cold. February and March can be a blizzard season also, so stay abreast of the weather forecasts.

The National 2026 Mid-Year (Cruise) is this month and we hope to have a lot of pictures. And then the final CAFE event which is scheduled with the VFW Legislative activities in Washington, DC at the end of February first of March.

Lots of reports have been received and a lot of activities have been held. Keep up your reporting, working on your scrapbooks and your pictures.

Remember, The REEL and the required entry form needs to be sent to me by March 31st for judging for National awards.

It is great to see your postings on Facebook and Reels. Don't forget to use #auxiliariesinaction and our National President Lois Callahans' "handle" is #LoisSeatoSea

So, let's continue to Embrace the Waves of Change.
