

Department Historian 2025-2026

I'm looking forward to an exciting year for history to be made. We must remember that the Future can learn from the Past just as much as the Past can learn from the Future. Let's look forward to a great year!

I am excited to see your Pictures on your Auxiliaries Facebook and Instagram Posts. If you don't have an auxiliary facebook page, please get with someone in your auxiliary who does and share your story.

I am an "old school" believer in the newspaper articles. And if your auxiliary does a newsletter, please share it with others so they can possibly get ideas from yours. Recognize members who are celebrating birthdays, anniversaries, volunteer work, etc. And include dates of upcoming events! And don't forget to report it.

I am suggesting again, as I liked the idea last year, a Scrapbook/Journal to share your auxiliary history – as that is your job as your auxiliary/district historian, or just a member of your auxiliary to collect stories. Please bring it to the Department Convention next June and I'll have prizes to award.

Also think about preparing/doing a 30 second to 1 1/2 minute Reel – telling us about auxiliary activities and what the auxiliary means to you. It can either be video or audio or posted to Facebook or Instagram. Remember if you are posting your Auxiliaries in Action, use #AuxinAction or #AuxiliariesinAction.

Some of the questions for this year's report are the same as the previous years:
Have you communicated quarterly with each of your members, via e-mail, printed mail, text or a phone call?
Does your auxiliary have a Facebook page with your Post or separate from your Post?
Does your auxiliary have a Website with your Post or separate from your Post?
And Did your auxiliary create a Scrapbook or Journal for this year?

The questions sound easy enough to answer but please add to your answers – expand on what exactly you did do.

Let's have a great year of making memories!
