

I have had a lot of “windshield” time with President David visiting different District SOI’s and Fall Meetings. It has been great to see everyone and get acquainted. It was good to see so many members while our National President Lois Callahan was here for her visit to Kansas. Thank you for coming out to meet her. It was a great weekend with lots of activities.

Lots of reports have been received and a lot of activities have been held. Keep up your reporting. It is great to see your postings on Facebook and reels.

Don’t forget to us #auxiliariesinaction National President Lois Callahans’ “handle” is #LoisSeatoSea

Our annual Eisenhower Vigil will be October 10 & 11 in Abilene.

The schedule is in the Sunflower Express.

I look forward to seeing a lot of you there that evening/morning.

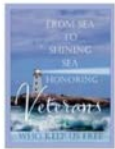

Here as some of our Adventures so far this year.
