HISTORIAN August 2024

Greetings!

Our National Convention was held at the end of July and early August. I hope everyone was able to get pictures either first hand or off the Department page to share with your Auxiliaries. If not they will be coming soon!

Remember a picture is worth a thousand words so even if you cannot attend an event please appoint someone to take pictures for you.

Department School of Instruction will be following the National Convention August 16-17th in Russell. I hope to see as many of you attend as possible. Here you will learn what your program can become and you will benefit from learning first hand. Then you can bring this knowledge back to your Auxiliary and have your best year ever.

Quickly approaching is our visit with National President Brenda Bryant. This will be a fast and fun weekend with many photo opportunities. National President Brenda Bryant will be here October 11-13th. More information to come as soon as a schedule is set for activities. This will be a historic weekend so I encourage all Historians to attend!

October 11-12th is the Eisenhower Vigil weekend. If you have never had the privilege to stand guard at this event, then this is the year to go. As this event coincides with President Brenda Bryant's visit it makes it even more special.

Until I see you again, please enjoy being your Auxiliary Historian. Capture those moments in pictures and words. Send in articles to the paper so your community knows who you are, what you are doing and wants to be a part of it. Make good memories and enjoy the journey!

There is a word search attached. Please bring this to the Department Training completed, find me and you will receive a prize.

Until next time, "Say cheese!"

Joy Garrison Department Historian
