

HISTORIAN AND MEDIA RELATIONS

DECEMBER 2023

I hope everyone enjoyed Thanksgiving surrounded by family and friends. Christmas is just around the corner. Days will be filled with decorating, baking goodies, shopping, wrapping gifts, and unless you put your tree up before Thanksgiving as some in my family do, trimming your tree.

Please remember as you are planning your Christmas activities for the children in your community, the local hospital or retirement center, or the local Christmas parade have someone take pictures and share. Everyone enjoys seeing what the Auxiliaries across the State are doing! Please be sure to send the names of the people in the pictures, unless you have a large group picture, then give a brief description of the activity.

Thank you to all the Auxiliaries that have submitted reports online. I have received a few packets via USPS, and I enjoyed looking through the pictures and reading the newspaper clippings.

Continue working on your scrap books for your Auxiliary Presidents. Be sure to include any newspaper clippings, flyers, programs etc. with your pictures.

Wishing you and your family a Very Merry Christmas!
