

# KANSAS VFW AUXILIARY HOSPITAL PROGRAM

**Valentine Goal= 5,000**

Valentine's Day is a time to celebrate love and appreciation. It's an opportunity to honor the service and sacrifice of our veterans.

Partner with your local VA, Veterans Home, Nursing Home, or wherever there is a veteran and deliver the cards by **Valentines Day, February 14, 2025 !!**

Often veterans are staying in a hospital that may be many miles or several states away from their nearest family members. Receiving a card from someone they may not know, but who supports them nonetheless, is a fantastic way to boost the morale of these veterans.

Buy or make a Valentine. Let veterans know that their service is valued and appreciated. Offer words of encouragement and support to let them know that you care. Sign the Valentine, and, if desired, add a message of thanks for serving our nation. If using an envelope, write something like, "To My Hero" or "To My Valentine."

Encourage friends, family, and community members to join you in expressing gratitude to veterans. Create a wave of appreciation for their service and sacrifice.
