You have the best ideas.

You're a candle in the darkness.

Someone is getting through something hard right now because you've got their back.

You always know how to find that silver lining.

You're a great listener.

Who raised you? They deserve a medal for a job well done.

Everyone gets knocked down sometimes, but you always get back up and keep going.

When you make a mistake, you fix it.

You're a great example to others.

You always know just what to say.

If someone based an Internet meme on you, it would have impeccable grammar.

You're more fun than bubble wrap.

I bet you do crossword puzzles in ink.

You're ability to recall random factoids at just the right time is impressive.

You're great at figuring stuff out.

You're always learning new things and trying to better yourself, which is awesome.

Your creative potential seems limitless.

You're so thoughtful.

You seem to really know who you are.

Babies and small animals probably love you.

Your name suits you to a T.

There's ordinary, and then there's you.

You could survive a zombie apocalypse.

You're like a breath of fresh air.

Actions speak louder than words,
and yours tell an incredible story.

You're irresistible when you blush.

You are someone's reason to smile.

The people you love are lucky to have
you in their lives.

You are a gift to those around you.

Has anyone ever told you that you
have great posture?

You just glow !

Somehow you make time stop
and fly at the same time.

You have a good head on your shoulders
