

Membership November

LIGHTS....CAMERA....ACTION! and WOW! The end of October was AWESOME!! 3 Districts made their October goal..District #2, #5, and #6 and....we had a new 100% and 3-100% plus Auxiliaries!! Woo-hoo! To be the BEST in the WEST....we need to keep hitting the prairie and collecting those dues. Then....we need to get recruiting those new members, those re-joins, and those members at large.

REMEMBER....a new member recruited is 10 miles, a new Life member is 100 miles, a convert annual to Life is 75 miles, convert a Dept. at Large member to Life is 50 miles! We need these miles to beat President Mike on his Harley!!

Mike' miles...2624

Dept. Of KS....5865!!
