# MEMBERSHIP

Welcome to a new year of Membership, where Membership is KEY! I am calling on all Membership Chairman, Treasurers and most importantly YOU! I was Thrilled that Marsha asked me to be her Membership Chairman for this year. I joined this Organization in 2015 and I have been our local Auxiliary Treasurer/Membership Chairman since 2018. Our previous Treasurer had the position for over 45 Years. I look forward to working with each and everyone in our Dept.

**NOW is the time to send out your First Round of Dues Notices. Please do not wait until our Department sends out their dues reminder.** Just imagine how many members you could already have paid before the Department has to remind your members that they need to pay. This way you can send out a personalized letter to your Members informing them what your Auxiliary/Post has planned for this year-what Accomplishments you were able to complete this last year and what you plan to do this year. The information that comes from

your Auxiliary newsletters may entice your members to want to help Volunteer with an activity or donate towards our Programs. I want to remind the Treasurers that there is a pre-generated dues notice letter available for use through MALTA. I want to also remind you to use the Resources that are available on the Department website [www.vfwauxks.org](http://www.vfwauxks.org) and on (MALTA). This year we have QR Codes available. Use your phone camera, hover over the QR code and then click the Yellow link that comes up. It will take you directly to the Website. **Our First Membership Challenge has been set.** It is all about **Recruitment.** Which District is able to have all of it's Auxiliaries host a Membership Drive. How your Auxiliary chooses to host it's Membership Drive is up to your District Chairman. Remember its summer time, think about NEW & Fresh Ideas. Be sure to send me your Word Search or bring it to Department School of Instruction in Russell for a Prize!
