

**MEMBERSHIP
December**

CHRISTMAS is coming and what better gift can we give than being **100%** membership by **December 31st** for the Department of Kansas? Christmas is all about giving....where can you give this year? Can you give a gift to your Auxiliary by collecting those last few dues....giving an angel due to someone that can't afford their membership due.....or can you go out into your community and find one more member that is eligible and get them signed up??

Remember....every new member is **10 miles**....every new Life member is **100 miles**....encourage them to go Life!! Every Auxiliary needs to continue to reach your goal of **100% plus!**

Those that have achieved this are: **#7830-Mankato, #7743-Osborne, #7972-Ransom, #7928 Lincoln, #3449 WaKeeney, #9139-Ellis, #6397 Garnett.....**
