### MENTORING FOR LEADERSHIP – MARCH 2024

This reporting year is coming to a close. If your Auxiliary chose Mentoring for Leadership as one of your programs to work this year, reports must be received by March 31. So, what can you do to send in a report that **shows participation** in the Mentoring for Leadership Program?

If your Auxiliary has utilized resources available under **MALTA Member Resources** you can answer yes to question #1 on the report form. Please explain which resources your Auxiliary utilized within your meeting.

Have you completed the **Mentoring for Leadership Auxiliary Award #1** form to be submitted to receive a National Citation for the most unique activity and/or event that educates their auxiliary members about how to find and train mentees while using and promoting VFW Auxiliary resources and learning materials? If so, you can answer question #2. Please remember that the **deadline** for these forms to be sent to me is **March 31**. Award forms are located under **MALTA Member resources as well as the Mentoring for Leadership Program page from our Department website**.

Question #3 on the report form is all about a member from your Auxiliary who has stepped up to the role of mentor. Recognize them for their efforts and consider nominating them for the **Member of the Year Award**.

Did your Auxiliary hold special recognition for mentors in your Auxiliary? If so, you can answer question #4. There are **good job certificates/cards** which are available under **MALTA Member Resources/Extension & Revitalization**.

I encourage everyone to start thinking about taking a more active role withing their Auxiliary. Thank you to those Auxiliaries that have already turned in reports, lets finish the year strong!
