**MENTORING FOR LEADERSHIP – JULY 2023**

Welcome to the 2023 – 2024 Auxiliary Program year! Thank you, Mike, for asking me to serve as your Mentoring for Leadership Chairman this year. I'm looking forward to all the training opportunities that you are bringing to the Department this year! I encourage **at least 2** members from each Auxiliary to attend the Department School of Instruction in Hays, August 11-13, 2023. There are a lot of changes coming that will be instrumental to the success of your Auxiliary this year. To kick things off, here's a word search with keywords that represent the Mentoring for Leadership Program. Please bring your completed word search to the School of Instruction for a prize! The Program Goals this year are: **Ensuring a Positive Member Experience, Engaging in Learning & Training Opportunities and Developing & Empowering Members for Leadership Roles.**
