Veterans & Family Support

“A rising tide lifts all veterans to success!”

As we enter our last month of the program year, I want to remind everyone of why we do what we do: to show our support for veterans and their families! This is the core program of our organization. As of now, there are still 13 Auxiliaries that have not reported anything. Are we REALLY showing our support for Veterans and their families? Did your Auxiliary donate to any of the Veteran & Military support programs: Unmet needs, Sports Clips, Wreaths Across America, or donations to any other Veteran group? Have you sent occasion (birthday, get well, sympathy, etc.) cards to Post or Auxiliary members? Did you assist with a funeral dinner for a VFW or Auxiliary member or their family? These are just a few things we can do to show our support and honor those who sacrificed so much for us. Let’s make our gratitude for their service known! Please get those reports in and remember, if you are mailing a paper report, **allow time for the slow snail mail so that they reach me before the 31st.**

Just a little fun & relaxation after all your hard work..... MILITARY WORD SEARCH!
