YOUTH ACTIVITIES

July 2025

When was the last time you took a walk on the beach.....let the sand squish between your toes.....and picked up seashells along the way? What did you look for in the shells? Were any the same?? Just like our Youth today...none are the same yet, they are all beautiful with a story to tell....

Let's get our YOUTH involved this 2025-26 year.

How well do you know your shells?? Match the shell with it's name and return it to me for a prize.....
