

Like seashells, we  
are beautiful and  
unique with a story  
to tell

## Youth Activities October 2025

Fall is in the air and the school calendar is full of events. How is your hometown football team doing.....or your Volleyball, Tennis, or Cross Country team? Has your Auxiliary done anything to recognize them yet? What about treat bags, sport drinks, or cards of encouragement? If not, it is time to start thinking about an activity.

Have you been watching our youth to see if they have done any **"Random Acts of Patriotism"** or **"Random Acts of Kindness"**?? Remember to have these on hand and ready to use.....

Any of you who use either of the two during the month of October and report it....I will put your name in a hat for a drawing on the first day of November!! I want to see you rewarding our Youth!! REMEMBER....it is **ONE SEASHELL** for every RAP card or CERTIFICATE given.

Speaking of **SEASHELLS.....CONGRATULATIONS TO GAIL CRAIG** of Valley Falls #3084 who was the first one to identify the "SPINY SHELL" on last months Sunflower Express Edition...it was just hot off the press...and she was answering it the first day!! Thank you Gail!!

Thank you all who are working the Youth Program and reporting....keep up the good work!!
