

Youth Activities November 2025

The days are getting shorter and the air is crisp. The outdoor sports will be winding down....did your Auxiliaries do something for your fall sports teams yet? There is still time!

As we shift into indoor activities it makes me think of **READING**. Have you planned any reading activities? Anyone do a Reading Buddy project yet? Have you been out and about in the classrooms asking if you can assist in anyway with reading? What about your local library...can you sign up to read to the children? The reading ideas are endless.....can you come up with at least one for November? All of you who hold or participate in any kind of reading activity.....report it and you will receive **10 EXTRA SEASHELLS!!!** (This could make a difference in the end of the program year when all the "seashells" are counted)!!

Another program to think about if you have not promoted it, is... the **Illustrating America Contest**. Make sure you get the information and student applications to the teachers for grades K-8. It may seem like the deadline date of **March 31st** is a long way off.....but as we all know.....time seems to fly by and next thing we know.....that deadline is **HERE!!**

Speaking of deadlines.....as I write this article, I have not received a single report yet of any **RAP** cards or **Acts of Kindness Certificates** presented yet for my little contest I put out there...?? I really hope I see some reports that used either of the 2 rewards that are available to our Youth!!

Thank you to all who are doing projects and reporting them to me...Keep up the good work!!
