

Youth Activities Report

November 2024

This is a great month to give books for Patriotism Through Literacy. There are a lot of books for different ages to learn about our veterans and what Veteran's Day is about. Use this for the initiative, Youth reading to Veterans and Veterans Reading to Youth.

Veterans Day is this month. Dominique Garcia, our Youth National Ambassador suggests this is a perfect time to get our youth involved and show them why Veterans Day is important and who our veterans are. She suggests that youth can help serve food at an open house, take cards or goodie bags to the veterans in the hospital, pass out program and Buddy Poppies for a ceremony or carry and wave a flag in a parade.

Continue to promote Illustrating America. Remember it is REQUIRED for the student's name and grade to be written on the back of every art entry.

Thank you for all the work you do for our youth and getting reports to me.
