

Like seashells, we
are beautiful and
unique with a story
to tell

YOUTH ACTIVITIES DECEMBER

Well here we are.....the last month of the calendar year!! My favorite month as I am sure most of our **YOUTH** would be in agreeance with me!!! **CHRISTMAS** will soon be here.....a time of giving!! What has your **AUXILIARIES** given to our **YOUTH**? There is so much to give through this program.....**BOOKS, CERTIFICATES, READING BUDDY PARTIES, ART CONTEST APPLICATIONS.....AND YES....the RAP CARDS!**

Speaking of **RAP CARDS**, my October challenge was to see how many Auxiliaries handed out **RAP CARDS** and your name would be put into a drawing. I received 2 reports, but both from the same Auxiliary...Erica Schurr from **OSBORNE #7743**. She caught the Osborne football team carrying the flag out onto the field as they entered.....and was looking at FB Posts and the **OHS** students photo shoots with the

football team

caught one of
AMERICAN
are

FLAG! This is what these **RAP CARDS**

for....always be watching!! Thank you Erica as she won a \$10 gift card for her entries.

As the new year approaches...remember to get those **Illustrating America** forms in the teachers and students hands. That deadline of **MARCH 3 1st** will come quickly! A lot of Auxiliaries have participated in the **PATRIOTISM THROUGH LITERACY** program which is **AWESOME!!** Thank you for showing those youth our passion of them reading these kind of books. **EVERYONE..KEEP UP THE GOOD WORK!!**

Now, it is **SEASHELL TIME** as I have an extra \$10 gift card waiting for someone. I want you to make a **CHRISTMAS SEASHELL ORNAMENT** and bring it to the **MID WINTER CONVENTION.....and YOU MUST BE PRESENT TO WIN!!!!** Voting will be by the members as you present them during my program. See you in **JUNCTION CITY** with your **CHRISTMAS SEASHELL ORNAMENT!!**
