

## May Youth Activities Report

Thank you for all the entries into Illustrating America and Get Excited for the Red, White, and Blue. Some of the entries were excellent and I'm excited to see how they do at National. There were 26 entries in Illustrating America and 6 in Get Excited for the Red, White, and Blue.

Memorial Day is approaching, and this is a perfect time to involve our youth in helping and learning why we have this as a Federal Holiday. Ask youth groups to help clean up a cemetery. Ask them to help put out flags at graves. Then ask them to help remove those flags. If you have a service, you can ask them to participate by holding or handing out flags, singing, playing Taps or helping serve lunch after the service.

For the March 31 reports due, I received 46 reports out of 65 auxiliaries. District 4 was 100% reporting at least 1 time during the year.
