

# YOUTH ACTIVITIES PROGRAM

## OCTOBER 2022

Hope all are getting acquainted with using the new online reporting.

School has started. Have you been in contact with the art teachers to start talking about Illustrating America? Have you started getting word out about, Get Excited for the Red, White and Blue? Make sure people know that they can record their child singing the National Anthem at sports events, get it uploaded to You Tube and get an entry form to you. If you go to a sports event and hear someone singing the National Anthem, take a few minutes to talk to them and their parents about this program.

Time to start looking for a book or books that you can purchase for the Literacy through Patriotism program. To answer the challenge made by me to each auxiliary for the Patriotism through Literacy program you need to purchase 1 book. A great time to think about books that tell our youth why we celebrate Veteran's Day.
